

Jason,  
I thank you for all of your help in preparation for the big day - my dance with my dad was awesome - could not of pulled it off without your help!

*This little card just comes to say,*

*A great big "Thanks"*

*for sharing our special day.*

The reception was a blast -- you really know how to create a "kick ass time"! You and everyone at Silver Sound DJ are great... thank you! Hope you are doing well. Happy Holidays. For always,  
Derrick & Traci
