We are so happy we got to meet you and that you were our DJ. We can not express enough how thankful we feel. We love music and it was important to us that the dance floor remained packed and you gave us that. You were amazing. The Italian tradition we did in the beginning was a bonus and the lighting was GREAT! You made our wedding wish come true. Thanks for being amazing and very professional! We hope to have you do some events for us and our friends. All our love,
Whit & Jer
