Dear Steve:

Thank you for helping MANNA to welcome its colleagues from member associations at the Association of Nutrition Services Agencies 15th Annual Conference on June 11-13, 2008. ANSA is a professional organization who strives to expand resources for the field of those providing food and nutrition services. Nearly 300 conference attendees came to our "Taste of Philly" event, and everyone had an excellent time taking a culinary tour of the city!

Steve, thank you for being such a fantastic DJ! All of our guests had a wonderful time dancing--you really were the life of the party. Your support enabled us at MANNA to share the best parts of Philadelphia with those working to provide nourishment to clients in need not just in America, but around the world. Thanks to your generous donation, MANNA extended a warm and wonderful welcome to our partners in the field of nutrition services. Thank you again for supporting MANNA, and we look forward to working with you again in the future.

Warmest regards,

Richard Keaveney
