Dear Jason,

I just want to say a sincere "thank you" for being such a wonderful DJ at our Phoenixville High School Baseball Fundraiser that was held on January 21, 2012. I can never thank you enough for donating your services. You were great! Although people were supposed to come and go to the dinner since it wasn't an actual sit-down affair, no one wanted to leave because they were so comfortable just relaxing and listening to the music. I received so many great comments and compliments on the great music and how nice you are. You are so personable and very professional and I am so glad that I had the opportunity to meet you.

With the support of your donated services, this fundraiser enabled us to raise the funds for much-needed baseball equipment. Also, a trip is planned for several players to go to Florida and play some of their games and this additional funding will help players in-need to be able to go, as well.

Thank you for your support to make this event so successful and I look forward to working with you, again!

All my best,

Georgea Ferrante

Phoenixville High School Phantoms Baseball Fundraising Chairperson
