Steve, Paul and Silver Sound Disc Jockeys Inc.,

Thank you for donating your time, effort and skill for the Valley Forge March for Babies. Your entire organization has been long time supporters of the March of Dimes and we couldn't be more privileged and honored to have Silver Sound as community partners and have Paul DJ this year. I have received countless positive comments and praise for your organization and DJ's and I am sure this year will be no different.

Thank you for your support!
