Dear Steve,

On behalf of everyone here at the March of Dimes Southeastern Pennsylvania office, I would like to thank you for your support for the March for Babies event! It was a great success! We had attendance over 500 and raised about \$105,000 and we are still counting toward our goal of \$124,000!

Prematurity is the number one obstetric problem in the United States; one in every eight babies is born too soon and too small. Our fundraisers, like March for Babies, raise money for our programs of research, community service, advocacy and education that directly support our Prematurity Campaign. Your generous support of March for Babies will help us continue our mission of improving the health of babies.

Thanks so much for donating your time and talent for the Downingtown walk on Saturday, April 25<sup>th</sup>. I know that the crowd loves your enthusiasm and I greatly appreciate being able to use your mic and sound system. Your generosity is greatly appreciated.

Sincerely,

Jen Bauman  
Community Director
