Dear Steve,

How can we even begin to thank you? I truly believe music can make or break a wedding. You were such a huge part in making our wedding so fun and amazing. From beginning to end, every one of our guests danced and had the time of their lives. It was the best day of both of our lives and you were such a big part of it. I have recommended you to tons of people and will continue to do so.

Thanks again!

Nicole & Jeff Elko
