

Steve -

It was an absolute pleasure to work with you for Bethany and Kevin Stark's wedding. The ceremony music was fantastic plus the way you set up the room the music seemed to just flow perfectly with out being in the view of guests. I know Bethany was so happy you were able to play music for the cocktail area. The dance floor was ALWAYS packed - guests couldn't wait to dance + I think would have rather stayed on the dance floor then stop to eat. As always you were wonderful to work with both before + during the event. You truly made Bethany + Kevin's wedding an incredibly fun + wonderful experience

Thanks Again! Kameron Affair Events
