

Thank You

DENISE & ERNIE GIRVIN

Dear Taz,

Thank you so much for DJ'ing our wedding. We really appreciate you taking on the job 48 hrs prior to our big day and doing an awesome job!! We were worried about the ceremony but we could not have asked for it to be more perfect! Please accept this small token of our appreciation! Special thanks to Russ for taking all the great pictures... great action shots!

Much Thanks!  
Denise & Ernie
